PTSA GENERAL MEETING AND PARENT WORKSHOP
“HELPING YOUR CHILD SUCCEED IN SCHOOL”
JANUARY 2014**

PTSA President, Gisselle Nevot calls the meeting to order. The twenty-five families who attended were treated to a parent program on the upcoming state tests and how they can help their children achieve in each specific subject area. They received helpful handouts and a magnet clip to assist with posting the helpful information on their home refrigerator.

Families then went into the cafeteria for a pizza and salad dinner compliments of Hammocks PTSA.

Our Principal, Ms. Leal, and our AP, Ms. Bonilla take a moment to pose with our PTSA Board Members, Patricia Gomez, VP of Volunteers and Gisselle Nevot, our President, while families enjoy their meals.
