SCHOOL BOARD RECOGNIZES BIKESAFE!

On Wednesday January 15th the University of Miami BikeSafe Program had the unique opportunity to attend Miami-Dade County Public Schools School Board meeting in support of Resolution H-7. Resolution H-7 proposed by MDCPS Chair Ms. Hantman asked that the School Board promote March 2014 as Florida Bike Month, encourage participation in the National Bike to School Day festivities, and recognize the BikeSafe program for its efforts in improving bicycle safety at middle schools. BikeSafe Manager, Valerie Neilson, thanked Ms. Hantman for her support of the BikeSafe program and curriculum. She also thanked the 14 schools who are currently implementing the BikeSafe curriculum this year and applauded them for their efforts to improve the safety of their students.
