Dear Parent Academy Liaison,

The Office of Adult and Community Education has received a grant from the United States Office of Citizenship and Immigration Service (USCIS) to offer Citizenship Education and Naturalization Services to legal permanent residents in Miami-Dade County. The program is being offered through selected adult education centers in our District in collaboration with Catholic Charities Legal Services of Miami.

Your assistance is being requested to inform parents of this special program called Fast Track to Citizenship. Attached for your information are fliers in English/Spanish and English/Haitian Creole that can be posted in your Parent Academy Center at your school. You are encouraged to duplicate the fliers and distribute at your PSTA or EESAC committee meetings.

Your assistance with informing parents of this program is greatly appreciated. Additional information on other adult and career technical education programs can be found in the District's web site at <http://adulthood.dadeschools.net/>.

Should you have any questions or need additional information, please call 305 579-0341.

Respectfully,

Antonio Martinez

District Director
